HUNTINGTON BANCSHARES RELEASES RESULTS OF 2016 DODD-FRANK ACT COMPANY-RUN CAPITAL STRESS TEST

COLUMBUS, Ohio – Huntington Bancshares Incorporated (NASDAQ: HBAN; www.huntington.com) announced today the release of its company-run capital stress test results as required by the Dodd-Frank Act. Results include both Huntington Bancshares Incorporated and Huntington National Bank, and can be found on Huntington’s Investor Relations website under the heading “Publications and Filings” (<http://huntington-ir.com/main/Regulatory.htm>). Results include the FirstMerit Corporation acquisition and are based on a forward-looking exercise using hypothetical severely adverse macroeconomic assumptions developed by the Federal Reserve and by the Office of the Comptroller of the Currency, and do not represent Huntington’s economic forecast. The Federal Reserve’s methodology for the Dodd-Frank Act Stress Test (“DFAST”) is different from their methodology for the Comprehensive Capital Analysis and Review (“CCAR”). Therefore, DFAST results are not necessarily reflective of CCAR results.
