**HUNTINGTON BANCSHARES INCORPORATED ANNOUNCES PRICING OF
\$500 MILLION OF 2.487% FIXED-TO-FIXED RATE SUBORDINATED NOTES**

COLUMBUS, Ohio – Huntington Bancshares Incorporated today announced the pricing of its previously announced private offering of \$500 million principal amount of fixed-to-fixed rate subordinated notes due 2036 (the “Notes”). The Notes were priced at 100% of the aggregate principal amount with a coupon of 2.487%. Huntington intends to use the net proceeds from this offering for general corporate purposes, which may include, among other things, supporting asset growth of its subsidiaries.

The Notes are being offered in a private offering to persons reasonably believed to be qualified institutional buyers in the U.S. pursuant to Rule 144A under the Securities Act of 1933, as amended (the “Securities Act”), and to certain persons outside of the U.S. pursuant to Regulation S under the Securities Act. The Notes initially will not be registered under the Securities Act, or the securities laws of any state, and may not be offered or sold in the U.S. without registration or an applicable exemption from the registration requirements. Huntington will enter into a registration rights agreement with respect to the Notes. Completion of the offering is subject to market and other conditions.

This press release does not constitute an offer to sell or the solicitation of an offer to buy the Notes, nor shall it constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale is unlawful.
